By the numbers

While Dani Daniels, is also limited by the same restrictions that brands have, she does not let that prevent her from garnering millions of followers and creating brand awareness and sales for her brand partners.

@doomswhiskey

Dani has been an immense help to growing the Dooms whiskey brand. Her posts are genuine, she truly knows and loves the product and her followers are incredible loyal- and listen to everything she says. I see a direct increase in sales and followers instantly after every post she makes. It's more effective than any ad buying or sponsorships the company has done.

Dani has had a tremendously positive effect on my social media, brand awareness, and my overall business. She as brought thousands of REAL followers to my Instagram and has helped me access a whole new demographic that I would otherwise have a difficult time accessing. Her post are exciting and dynamic which translates into a sincere love for my products. Not only that but she is a pleasure to work with and a true professional.
